THE REAL TEST

Of Herpicace is In Giving It a Thor ough Trial.

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair vigors may look nice and smell nice but the point is—do they eradicate Dandruff and stop falling hair?

No, they do not, but Herpicide does because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people where are daily proving that Newbro's Herpicide stands the "test of use." It is a delightful dressing, clear, pur-and free from oil or grease. Sold by leading druggists. Send 19c. ir stamps for sample to The Herpleide Co. Detroit, Mich.
